

## GIVING OPPORTUNITY - BENEVITY

You can help drive workplace giving in your organization by creating a [giving opportunity](#) for the BC Cancer Foundation's [Workout to Conquer Cancer](#) on your Benevity platform. Below we have provided a sample message to help get you started!

Please note: While we do our best to reflect the funds raised through Benevity on your fundraising page, there are sometimes limitations in the data we receive. Help us keep track of your fundraising by:

- Informing your BC Cancer Foundation contact or emailing [workout@bccancer.bc.ca](mailto:workout@bccancer.bc.ca) when you set up a giving opportunity
- Letting supporters know to leave a comment saying "In support of <your name> - Workout to Conquer Cancer 2026" when they make a donation

### SAMPLE MESSAGE

**Giving Opportunity Name:**

Workout to Conquer Cancer (BC Cancer Foundation)

**Summary:**

Support British Columbians facing cancer

**Description:**

This May, I'm taking part in *Workout to Conquer Cancer*, a month-long fitness challenge in support of the BC Cancer Foundation! For 31 days, I'll be moving for one powerful purpose: to bring us closer to a future free from cancer.

Join me in turning everyday effort into extraordinary impact by donating or signing up for the challenge. Every dollar raised stays right here in B.C. to drive life-saving innovation in cancer research and care for patients across the province.

If you'd like to participate, join my team! Together, we'll help each other fundraise and train, all while raising awareness for an important cause.

This is more than just a 31-day workout challenge — it's a movement. And every move matters.

Note: When making a donation, please also include a comment saying "In support of <my name> - Workout to Conquer Cancer 2026" so the funds can be tracked.
